A logistics trucking company like MJN handles more than just shipping. We:

1. Connect shippers with **dependable carriers** across the U.S. and Canada through our [freight brokerage services](#)
2. Provide same-day cash flow with our [freight factoring solutions](#)
3. Offer TMS tools that reduce time spent on paperwork and planning
4. Support [freight agents](#) with tools to grow their business
5. Help [carriers](#) find quality loads and get paid faster

We're not just a logistics company—we're your **growth partner**.

Our Core Services

Freight Brokerage

Need help moving freight? Our experienced team matches shippers with fully vetted carriers for FTL and LTL freight shipping. From pickup to delivery, we manage every step for efficiency and peace of mind.

Freight Factoring

Waiting 30+ days to get paid? We fix that. With our freight factoring program, carriers and owner-operators can turn unpaid invoices into same-day cash—no credit checks or long wait times.

TMS Software

Simplify your freight operation with our integrated **Transportation Management System**. Dispatch loads, manage documents, and track payments all in one place. (Ask us about agent access!)

Agent & Carrier Support

Looking to grow your book of business? Our freight agent program gives you the tools, team, and platform to succeed. If you're a carrier, we'll help you find more freight and pay you faster.

How We Solve Real Problems

- **Delayed Payments?** Our factoring services pay you same-day.
- **Struggling with load management?** Our TMS takes care of the admin work.
- **Tired of unreliable carriers?** Our shipping network includes only trusted, high-performing professionals.
- **Lack of support?** Our team has your back.
